European Masters Degree in Food Studies

The European Masters Degree in Food Studies is a two year accredited MSc Programme organised by four top universities in Europe and sponsored by a number of food companies with activities in Europe. A select group of students from all around the world will travel, study and learn together as a team, at Wageningen University in the Netherlands, University College Cork in Ireland, ENSIA in France and Lund University in Sweden. A key element in this Masters programme is an additional 8 month Master Thesis Project in some of Europe's most prestigious food industries. **We simply call it the "Educational Journey". Are you ready for the journey of your life?** We would like to invite you to join us and become a sponsor or student of the European Masters Degree in Food Studies. Contact: coordinator@eurmscfood.nl more info: www.eurmscfood.nl For students: a few places are still available in the 9th edition, 2007-2009.
